AUCTION NOTICES

The auction will proceed as stated unless the total delinquency (including all principal, interest, charges, fees, expenses, and jeopardy accelerations) is paid in full by a record owner or encumbrancer, except as otherwise ordered by a court. **Postponements will NOT occur because an owner or encumbrancer requests it, makes a partial payment, or arranges a private sale of the property.** The auction will be open to the public, and anyone other than a record owner or encumbrancer may submit a bid in accordance with the rules stated herein and at the auction.

The property will be sold “as is” in all respects. It is now and will remain subject to all applicable laws, ordinances, rules, and regulations including but not limited to those related to planning, zoning, wetlands, health, building, safety, and the environment. Absolutely no guarantees are made as to the degree to which the property is or is not buildable, habitable, landlocked, contaminated, worth the purchase price, or suitable for any purpose, or as to the accuracy of any description, characterization, acreage, ownership, encumbrances, or addresses provided, or that the property or its title are marketable or insurable before or after the sale.

Interested bidders must attend the sale in person or by representative, bring government-issued identification, tender a deposit of \$5,000.00 in cash or certified funds payable to “Pullman & Comley, Trustee,” and complete the provided registration form. No owner, nonmunicipal lienholder, or encumbrancer of this property may bid on it. The successful bidder must pay the balance of the sale price within five (5) calendar days thereafter or forfeit the deposit; after such a renege in the tax collector’s discretion, the second-highest bid and then other junior bids might then be accepted. The municipality retains the right to rescind the auction as it deems necessary. Otherwise, title will pass to the purchaser six months after the auction except as otherwise provided by law, unless a record owner or encumbrancer validly redeems by paying the delinquency in full as increased pursuant to law. If there has been no bidder or the amount bid is insufficient to pay the amount due, the collector may accept a lower bid, or sell the property to the municipality in exchange for such amount in lieu of a deposit and bid.

If redemption does not take place by the date six months after the auction and in the manner provided by law, the delinquent owners and all mortgagees, lienholders and other record encumbrancers who have received actual or constructive notice of the sale as provided by law, as well as all persons claiming interests which either are inchoate or postdate the recording of notice of the sale in the land records, are hereby notified that their respective titles, mortgages, liens, restraints on alienation, and other encumbrances in the property shall be extinguished. This means you could permanently lose your rights in the property unless the debt is paid in full no later than six months after the auction. You are advised to consult an attorney to determine your rights and obligations. **Procedural and payoff inquiries should be directed to Adam J. Cohen, Esq. at Pullman & Comley, LLC, 850 Main Street in Bridgeport, CT 06604, (203) 330-2230 or ajc@pullcom.com.**
