The redemption period for this property has now expired and title has vested in the winning bidder. Any mortgage, lien, encumbrance, ownership, or other interest you may have previously had or claimed in this property has been permanently extinguished. However, you may be entitled to some or all of the auction’s proceeds in excess of those used to satisfy the delinquencies owed to the Levying Municipality. Those moneys have been deposited with the superior court as required by state law.

Any person may make an application for payment of moneys deposited in court as provided for in Connecticut General Statutes § 12-157(i) to the superior court for the judicial district in which the property that is the subject of the proceedings referred to is located, or if said court is not in session to any judge thereof, for a determination of the equity of the parties having an interest in such moneys. Notice of such application shall be served in the same manner as to commence a civil action on all persons having an interest of record in such property on the date the collector's deed is recorded, provided the Levying Municipality shall not be a party to such action without its consent. **The Levying Municipality does not consent to being made a party to any such action related to this deposit at this time.** If no application is filed with the court, any moneys held by the court shall escheat to the State of Connecticut pursuant to the provisions of part III of Chapter 32 of the Connecticut General Statutes.

Note that there is currently no docket number assigned to this deposit; a docket number will be assigned by the superior court’s clerk only after an application has been filed. The Levying Municipality is not involved in distributing the deposit and has no information about it other than as stated in this notice. If you believe you are entitled to any portion of the moneys deposited, you should contact an attorney immediately.
